To Whom It May Concern,

It is with pleasure that I write this reference letter for Miss. Hannah Stonjeck. As part of Hannah's Professional Semester III Internship requirements at Wilson Middle School, she was responsible for teaching Grade 7 Science as well as a variety of option classes which included Pre-historic studies and Art. While at Wilson, she was responsible for the delivery of her lessons both in person and online. In the course of Hannah's time at Wilson, she has left a great impression with our staff, our students, and me.

Throughout Hannah's practicum it was evident that she had a natural ability and passion for the profession. She showed evidence of her knowledge of the subject matter in her ability to prepare lessons that were creative, well organized and fostered an attitude of curiosity and engagement. Hannah showed the importance of meeting the variety of student learning styles and abilities by incorporating different techniques and strategies in her teaching. She would differentiate her assessments to create a learning environment that was effective for the diverse learning needs of her students.

Hannah's classroom management skills were strong. Hannah built positive and productive relationships with her students throughout her time at Wilson. She was natural at fostering and making connections with kids and holding them accountable to the expectations she had of them. Her genuine care for her students made for a safe and secure place for students to learn.

In summary, it is without hesitation that I recommend Hannah Stonjeck. I feel that Hannah will be an excellent teacher and an asset to any school both inside and outside of the classroom. Her understanding that this is a fluid profession where continual learning and growth is essential and the value that she puts on caring, connecting and building relationships with students, parents and colleagues will serve her well in her teaching career. It would be a privilege to have Hannah as a fellow colleague.

Respectfully,

Riley Ellis-Toddington
Gr. 7 Teacher
