To Whom It May Concern:

Please accept this letter of reference for Hannah Stonjeck. As Director of Volunteer Services with the University of Lethbridge Education Undergrad Society (EUS), I can attest to Hannah's character and involvement on campus, remotely working from home.

During the fall 2020 semester, Hannah enthusiastically joined the EUS teacher mentorship program at the University of Lethbridge. Over the course of the semester, Hannah provided her guidance to a Professional Semester I student as a mentor to help this student succeed in the program. Through her participation, Hannah has enhanced the education experience here at the university by taking part in this program. Her mentee is now successfully enrolled and has finished her second professional semester and speaks highly of her experience working closely with Hannah in the mentorship program.

Hannah intends to continue sharing her experiences and helping education students beginning their journey in the faculty. As of spring 2021, Hannah has continued to support her mentee through the education program.

Please take Hannah's participation in the program as an indication of her amiable and dedicated character, as well as her investment in her own growth and learning as well as that of others.

Thank you,
